LET AN OFFICER INSPECT YOUR LOGS ON MOBILE

STEP 1 When a law enforcement officer requests to view your logs, open the GoodDealGPS App. Tap the Menu icon. 

STEP 2 In the main menu, tap "Inspect Logs". 

STEP 3 Then, tap the "Begin Inspection" button  and hand your phone or tablet to the inspector.

VIEW LOGS AND INSPECTION REPORTS

In Inspect Logs, you will have access to the logs and vehicle inspection reports for the most recent 8 days.

For each day, you will find a log chart that visually depicts the duration of the driver's activity over the 24 hour period and any vehicle inspection reports the driver created for that day.

- 1 Tap the arrow to exit the Report
- 2 Tap the arrow buttons to see the log from the previous or following day
- 3 Driver's HOS Cycle
- 4 Log Form details required by FMCSA
- 5 The log graph corresponds to the driver's duty status changes for the day
- 6 The details below the graph show the details of each duty status period, including Time, Location and Notes
